

Nova Scotia School Pictures is honoured to be the 2021-2022 school photography provider for Bay View High School.

Individual photos were taken on **September 10th**.

In an effort to help schools limit the number of physical items being handed to students, we will not be printing instant proofs this year. We are asking parents and students to simply log onto our website to view their school photos.

This is a more environmentally friendly method than traditional paper envelopes and will also help with faster production of your finished packages.

In preparation for viewing your proofs online, please Pre-Register for the Bay View High School photo gallery by following these steps:

Please visit: [www.nssp.ca](http://www.nssp.ca)

1. Click the **Order Online** button.
2. Log in, or create an account.
3. Click the **School Photos - Fall** button.
4. Find your school in the alphabetical listing and click on it.
5. Your name and email address should fill in automatically.
6. Click the **Submit** button.

When the students' photos have been uploaded to the gallery, you will receive an email letting you know your photos are ready to view.
